“As a Human Resource Specialist I ensure businesses are managed profitably and efficiently”.

I joined Everest in November 2013 with over 20 years' experience as a Human Resource practitioner having been previously employed in the financial and dairy sectors with ANZ Bank, LIC, Fonterra and PwC.

As a Human Resource Specialist I've worked with a mix of small, medium and large organisations ranging from not for profit to large corporations to ensure their businesses are managed profitably and efficiently.

My qualifications include a Bachelor of Arts (Organisational Psychology). I have been a member of Human Resources Institute of New Zealand (HRINZ) for over 20 years.

I am also an accredited Myers-Briggs Type Indicator (MBTI) facilitator, Mayer-Salovey Caruso Emotional Intelligence Test (MSCEIT) certified and People Centred Implementation (PCI) Change Management accredited.

## Greg's areas of expertise include:

- **Strategic Human Resources:** Providing employers with practical human resource strategies that support the achievement of business goals.
- **Operational Human Resources:** Assisting managers to resolve those every day human resource matters to make the business operate more effectively and efficiently.
- **Employment Relations:** Guiding employers through the more complex employment relations issues.
- **Recruitment:** Providing effective recruitment strategies to find the right person that has the right mix of skills and attitude.
- **Psychometric assessment:** Guiding managers through a selection of reliable and valid psychometric tools to support selection and development decisions.
- **Employee Engagement:** Facilitating surveys and reporting on employee attitudes.
- **Change Management:** Lead to transform an organisation and managers through a process of change that is both best practice and meets the requirements for consulting with employees.
- **Coaching:** Providing coaching to managers and employees to develop new skills, make career transitions and to take those next steps if they are made redundant.
- **Organisation Design:** Reviewing an organisation's design, assessing alternatives and recommending options that enable the owner to improve the business's profitability.
- **Remuneration:** Facilitating an assessment of the size of an employee's job and arranging market remuneration comparisons
