

## Flammable Objects

Oil soaked rags, gas cylinders,  
petrol spills, fuel filters, waste oil

*Store in dangerous goods store*

*Store in sealed containers, store  
upright, away from sparks*

## Tools & Equipment

Grinders, air tools, hoists,  
drills, lathe, welding  
equipment, vices, clamps

*Always clean and return to  
designated area, which  
ensures tools are in safe  
working order and gives  
easy access for others*

## Sharp Objects

Broken glass, machine swarf,  
hacksaw blades, drill bits

*Wrap glass in newspaper, store  
tools in designated areas, sweep  
up swarf, put in rubbish*

## Heavy Objects

Gas Cylinders, batteries, tyres  
etc

*Store on strong secure  
shelving, do not overload*

*Store heavier items on the  
bottom*
