

HOW TO GIVE

Nau mai, haere mai. The success of the Waikato Regional Theatre is in the hands of the Waikato community – it will not happen without your support. There are many ways that you can assist with this transformational vision, playing your part to change the face of creativity in the region for the next generations.

We've made it easy to give. You can choose to give a one-off gift, or you may wish to spread your donation over time by pledging an amount and indicating the period over which you would like to give.

LEADERSHIP GIFTS

Generous families, individuals, businesses, trusts and foundations are all able to give leadership gifts. These gifts will be used to support the building works ahead. Our team is happy to discuss the options with you to talk about purpose, timing and the impact your gift will make.

NAMED GIVING OPPORTUNITIES

Gifts can be named for your family, organisation, or in honour or memory of someone else. Donors wishing for specific named or memorial designations should discuss options with one of our team.

PLEDGES

Donors who wish to make their gift over time can do so with a formal pledge. By spreading payments over time, pledges may enable donors to make larger commitments and fulfil them at a comfortable pace. Typically, pledges are over three years taking us to opening night, but we are happy to discuss other timeframes with you. We can send an invoice or a reminder, on agreed timeframes, based on your preference.

GIFTS IN KIND

Momentum Waikato also welcomes gifts-in-kind of tangible products or services. To meet these projects requirements the gifts must first meet the needs identified by the development team, so please contact us to discuss.

RECOGNITION

The theatre is not only a place to see our own and international stories played out on stage – we want to tell our donors stories through the architecture of the building.

As the theatre design is finalised, we will develop a range of opportunities to ensure an enduring legacy for our leadership donors, providing a place for our partners and supporters stories to be told within the building.

Leadership donors will also enjoy a range of benefits including invitations to annual events, opportunities to meet cast and performers, plus promotional opportunities.
